

Sharper, smarter and more striking, the Octavia provides the compelling drive you expect with intelligent enhancements that surprise at every turn. From the outside, the powerful exterior styling and crystalline touches set the scene, while inside the smart connectivity features and safety assistant systems leave an equally strong first impression. The result is a car that catches the eye, delivers connected technology and is simply fun to drive.

Octavia

BOLDLY AHEAD OF THE CURVE

The exterior of the Octavia is unquestionably modern, yet unmistakably timeless too. Its precise lines stand out, while the bold grille, distinctive bonnet and expressive LED lights command attention.

FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button. Only available on the Estate.

REAR LED LIGHTS

Designed to be seen in every sense, these rear LED lights feature ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

A WARM WELCOME **EVERY TIME**

While style and functionality are essential in a car's interior, above all, it needs to be welcoming. It's why the interior of the Octavia is as inviting as it is intuitive.

DUAL-ZONE AIR CONDITIONING

This intelligent system enables different temperatures to be set for the driver and passenger. It's also fitted with a humidity sensor to reduce windscreen misting.

PERSONALISATION OPTIONS

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to the choice of music on the radio, all determined by which key the driver uses.

LED INTERIOR LIGHT PACK

Selecting the Octavia's LED ambient lighting is anything but a black and white decision. From the understated to the bold, 10 colour options are available.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the Octavia helps you stay connected wherever your journey takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay $^{\text{\tiny{M}}}$ and Android Auto $^{\text{\tiny{M}}}$ as standard across the range.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink+ and Wi-Fi capability, it offers more connectivity on-the-go.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your Octavia. The CANTON Sound System delivers powerful clarity from 10 speakers around the car.

WIRELESS CHARGING

The days of scrambling for a charger and untangling cables are over. Located within the centre console, the Wireless Charging and Phone Box boosts your smartphone signal, whilst charging QI-enabled handsets.

STAY CONNECTED

The new ŠKODA Connect system turns the Octavia into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates.

With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

MORE LEGROOM, HEADROOM AND ELBOW ROOM

In a car packed with intelligent driver systems and design features, we've made sure to leave plenty of room for space too. The luggage capacity can be enhanced thanks to a host of clever design features that increase practicality.

REMOTE FOLDING SEATS

A remote lever makes easy work of gaining extra space, by automatically folding the rear seat backrests.

SPACIOUS STORAGE

Several spacious storage compartments have been included, one of which can also be air-conditioned, making it perfect for transporting chilled refreshments.

CARGO ELEMENTS

Stop your luggage going on any unplanned journeys with these two plastic cargo elements with Velcro® fastener.

JUMBO BOX

Useful storage for your gadgets, house keys and books, the jumbo box also features climate control to keep snacks cool on warm days.

11

At ŠKODA, we're just as focused on the little thoughtful touches that make your life easier.

LED TORCH
Always ready to shed some light on your
Octavia Estate, this removable LED torch
recharges while the engine is running.

Located on the boot handle, the rearview camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

REAR-VIEW CAMERA

UMBRELLA STORAGE
A spot of rain will never dampen your spirits again thanks to the umbrella located under the passengers seat.

FUEL DOOR
With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

MORE EYES ON THE ROAD

Safety is firmly in the driving seat, thanks to the active and passive driver assistance systems, which allow you to instantly respond to whatever comes your way.

AUTO LIGHT ASSIST

Safer for you, kinder to others. With Auto Light Assist the Octavia can switch to high beam and back automatically, ensuring optimum visibility without dazzling oncoming traffic.

PARK ASSIST

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

FRONT ASSIST WITH PEDESTRIAN PROTECTION

This system monitors the distance from the vehicle ahead, automatically braking to help avoid any collisions. Predictive Pedestrian Protection also helps to prevent accidents by reducing the car's speed should someone unexpectedly cross your path.

UNIQUELY ORIGINAL BY DESIGN In any family, there are always similarities and differences. It's the same with the Octavia range. All share the same reliability, yet every engine has its own distinct character.

FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit.

DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

DYNAMIC CHASSIS CONTROL

This feature lets you switch between four to five driving modes, giving you added comfort, power or grip, depending on the terrain.

HILL HOLD CONTROL

This clever feature automatically activates when the hill grade is higher than 5%, enabling you to set off smoothly without having to use the handbrake or worry about rolling backwards.

OCTAVIAS

Anything but standard, this entry-level trim is packed with features and thoughtful touches.

On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2017/2018.

BiK calculation example OCTAVIA Hatch 1.0 TSI 115PS		
P11D value		£17,500.00
Company car BiK tax based on CO ₂ emission level		21%
Taxable BiK (for 2017/2018 tax year):	21% of £17,500.00	£3,675.00
Annual company car tax (2017/18)		
20% income tax	20% of £3,675.00	£735.00
40% income tax	40% of £3,675.00	£1,470.00
Monthly company car tax (2017/18)		
20% income tax	£735.00 divided by 12 months	£61.25
40% income tax	£1,470.00 divided by 12 months	£122.50

- *** An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Due to potentially high data volumes, a contract including an unlimited or high usage data plan is strongly recommended.
- *** High-speed LTE internet is activated by inserting a SIM card into the slot in the glovebox, or connecting a smartphone via the rSAP profile. Passengers can then connect to the OCTAVIA's Wi-Fi hotspot and browse the internet wirelessly on their individual devices. An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone or SIM card contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Additional information

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- Part exchange your car for a new ŠKODA on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £279 or 18 monthly payments of £15.50. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your OCTAVIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
