FABIA – SETTING THE STANDARD

The redesigned third generation ŠKODA FABIA takes a classic and adds so much more. The sleek new design takes what was an already hugely popular model and makes it more compelling than ever.

A restyled front and rear gives the FABIA more presence on the road, and that coupled with a host of new safety features such as Blind Spot Detect, Rear Traffic Alert and Auto Light Assist give you more confidence on your drive. The functional and stylish interior makes it not only a comfortable drive, but allows you to stay connected on the move, with a whole host of connectivity features.

We think you'll agree that today's FABIA is as much a joy to drive and just as relevant as when we started.

STEAL ATTENTION ON THE ROAD

Confidence, power and balance. From the crystalline design of the headlights, the distinctive geometry of the grille to the powerfully contoured rear, the FABIA's exterior makes a first-class first impression from every angle.

LED HEADLIGHTS

The optional LED headlights adjust light intensity to provide great visibility in all situations. When oncoming traffic is detected, they automatically adjust to prevent dazzling others. Comes with front cornering lights.

PRIVACY GLASS

Designed to provide additional sun protection for passengers in the back, the tinted rear windows also add a sporty look and feel.

LED REAR LIGHTS

The FABIA's LED rear lights feature the iconic illuminated C-shaped design, tinted with a black edge. Standard on the Monte Carlo.

SIGNATURE DESIGN

The newly designed front gives the car a sleek and modern look. 3D fins give the front a dynamic look, whilst the grill cuts in at the top to drag the bonnet in giving the car an improved road presence. The honeycomb bumper gives the car a more premium feel.

PANORAMIC GLASS ROOF

The optional eye-catching panoramic glass roof gives the car a more spacious feel.

A GREAT DEAL OF THOUGHT AND SPACE

The interior of the FABIA is as captivating as it is inviting, with an emphasis on striking horizontal lines and fine-tuned functionality. It's highly adjustable too, from the seats, mirrors and windows to the dashboard style and upholstery colour.

MULTIFUNCTION STEERING WHEEL

The attractive multifunction leather steering wheel isn't simply soft and tactile, it enables you to control the radio, trip computer and your connected smartphone.

CLIMATE CONTROL AIR CONDITIONING

Whether keeping you cool in the summer or cosy in the winter, this electronic system provides year-round comfort. It's also fitted with a humidity sensor to reduce windscreen misting.

HEIGHT ADJUSTABLE FRONT SEATS

We go to great lengths to put comfort firmly in the driving seat. Quite literally in this case, as the driver's seat can be easily adjusted to suit your height. An adjustable passenger seat is standard on SE and above.

REAR SEATS

With its generous leg-room and space, the FABIA ensures your passengers in the back always have plenty of room.

CONNECTIVITY TO GO WHEREVER YOU GO

While the infotainment system instantly impresses, it truly comes alive once connected to your smartphone. This enables you to be fully online on the move, keeping you connected wherever your journey takes you. It also opens up a world of personalisation thanks to features such as SmartLink+.

SMARTLINK+

From taking calls to switching between your favourite playlists, SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

SWING PLUS RADIO

Take your favourite tunes on the road with the Swing Plus radio, which includes a 6.5" touchscreen, DAB, AM and FM tuners, USB connection and SD card slot. Included as standard on SE models and above.

ŠKODA SURROUND

Open road. Favourite tunes. Pure bliss. The ŠKODA Surround sound system is perfectly tuned to suit the unique space of the FABIA and includes six onboard speakers, plus a further three virtual speakers.

STAY CONNECTED

The ŠKODA Connect system turns the FABIA into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to inform them a service is due.

Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

A high-angle, rear-view photograph of a red ŠKODA FABIA with its rear hatchback open. The interior of the car is visible, showing the black fabric seats and the dashboard. The rear seats are folded down, creating a large, flat cargo area. The text is centered in the lower half of the image, overlaid on the dark carpeted floor of the trunk.

Generous space and ŠKODA have always gone hand in hand. The FABIA's no different. With the rear seats folded, the Hatch offers an impressive 1,150 litres, while the Estate offers 1,395 litres. In other words, ample room for both practical essentials and playful extras.

FULLY LOADED

The FABIA's always been filled with thoughtful touches that make life that little bit easier. Naturally, you'll find that remains the case with cleverly hidden extras at every turn.

UMBRELLA

A spot of rain will never dampen your spirits again thanks to the umbrella located under the passengers seat.

ICE SCRAPER

Mounted out of sight on the fuel cap, this handy ice scraper is ideal for frosty mornings.

REAR-VIEW CAMERA

Located on the boot handle, the optional rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

ADJUSTABLE SHELF

The two-position luggage compartment shelf, when fixed in the lower position, allows you to transport fragile objects with complete peace of mind.

LOOKING OUT FOR THOSE INSIDE

We're forever focused on customer safety and comfort. It's why in a car that can seat up to five passengers, six airbags are equipped as standard. You'll also find a host of active and passive driver assistance systems that help to provide extra protection at all times.

DRIVER FATIGUE SENSOR

This intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected, the trip computer display warns the driver to take a break.

THIRD REAR HEADREST

If full carloads are the rule rather than the exception, the option of a third headrest in the middle seat will be welcomed by all rear passengers.

BLIND SPOT DETECTION WITH REAR TRAFFIC ALERT

Placed in the corner of each wing mirror, the signal turns yellow when a car is in your blind spot to warn you not to pull out. Rear Traffic Alert provides an audio signal when reversing if the car detects a potential collision.

FRONT ASSIST

Using a radar in the front bumper this system provides an audio and visual signal to warn of an impending collision. If the driver fails to respond, the system initiates braking to minimise any possible impact.

FABIA S

Loaded with standard equipment and thoughtful touches, this entry-level trim impresses at every turn.

YOUR FABIA, YOUR WAY

From roof racks, mudflaps and mats to the latest tech and alloy wheels, our range of FABIA accessories are designed to protect your pride and joy and add that special finishing touch.

ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs, golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 120 kg in total stability.

REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps you dog safe and is available in a variety of sizes.

PLASTIC BOOT DISH AND PARTITION

This lightweight and durable thermoplastic dish fits perfectly into the boot area and protects it from moisture, dirt and damage. If the dish does get wet or dirty it can easily be taken out and cleaned - perfect if you lead an active lifestyle. Inserting aluminium inserts also helps create smaller compartments meaning less chance of items sliding around.

MULTIMEDIA HOLDER AND ADAPTER

This clever holder allows tablets between 115 to 195mm to be viewed both vertically and horizontally. It can also be tilted forwards, backwards or sideways by up to 30° and can be rotated 360°, making versatile viewing for your rear passengers.

PROTECTION PACK

A walk in the woods or a day at the beach – it's great for the soul but not your interior. Protect your FABIA and save money with our Protection Pack. The pack includes front and rear mudflaps, rubber boot liner and textile floor mats – all for a special pack price.

LOCKABLE BICYCLE HOLDER WITH ALUMINIUM PROFILE

Providing secure transport for your bicycle, the aluminium profile bicycle rack makes it easy to mount and secure your bicycle to the roof of your car. With its unique design and high-quality workmanship, the rack protects your bicycle and can also be locked to provide better protection against theft.

MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

FLOOR MATS

These quality textile mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. There's also rubber versions for the more outdoorsy types.

RUBBER BOOT MAT

This rubber mat fits perfectly onto the floor cushion of your car. It protects your boot space so you can put dirty objects such as shoes, sports equipment, gardening material, paint etc. in knowing it can be easily removed for quick and easy cleaning - perfect for keeping the boot of your car immaculate for as long as possible.

YOUR FABIA, YOUR RULES

Express your personality by adding a distinctly personal twist to the award-winning FABIA. Will you make a statement with colour, go all out on style or go all in on features? Decisions, decisions.

Simply use our online car configurator to choose your engine, alloys and the all-important eye-catching finish, then turn your attention to the many extra features available.

On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2018/2019.

BiK calculation example FABIA S Hatch 1.0 MPI 60PS

P11D value		£12,055.00
Company car BiK tax based on CO₂ emission level		23%
Taxable BiK (for 2018/2019 tax year):	23% of £12,055.00	£2,772.65
Annual company car tax (2018/19)		
20% income tax	20% of £2,772.65	£554.53
40% income tax	40% of £2,772.65	£1,109.06
Monthly company car tax (2018/19)		
20% income tax	£554.53 divided by 12 months	£46.21

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

Service intervals

When you order your FABIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one of our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your FABIA will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your FABIA also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.

Third year with 60,000 mile limitation, whichever is sooner.

Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. *Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). **This rate applies to diesel vehicles that do not meet RDE2 Standards.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see <http://www.skoda.co.uk/owners/wltp-info> or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. FABIA

GENUINE ACCESSORIES

ŠKODA

CONFIDENCE WITHOUT COMPROMISE

To improve, enhance and refine at every opportunity was the thinking behind the new FABIA. With the addition of ŠKODA Genuine Accessories you can continue the trend, while also leaving your own distinctive mark on the car.

Throughout this brochure you'll discover features that enhance practicality, improve connectivity and make life behind the wheel beautifully easy. You'll also find a wide choice of extras that bring added style and confidence to a car distinctly lacking in neither.

It goes without saying that whether opting for added safety, storage or security, every accessory has been rigorously tested and is fully compatible with the FABIA.

ABOVE AND BEYOND AS STANDARD

When it comes to checking the quality of our alloy wheels, we're unapologetically testing. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

INFOTAINMENT

INFOTAINMENT

Open up your world on the go with these **Genuine Accessories**. All have been designed to intelligently turn your **FABIA** into a fully interconnected car, keeping you in touch when you need to be – and entertained when you want to be.

CARSTICK

ŠKODA Genuine Accessories

This ingenious device turns your car into a Wi-Fi hotspot in seconds, enabling you to take full advantage of the ŠKODA Connect system without having to use your smartphone's internet connection. Simply pop in a suitable SIM card, connect it to the USB slot in front of the gear lever and set it up via the navigation system. You can then connect any Wi-Fi enabled device to your own onboard network. (000 051 409F)

Driver Fatigue Sensor

ŠKODA Genuine Accessories

This intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected it sends an audible and visual signal, recommending you take a break. (5E0 054 801)

MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal. Simply head to infotainment.skoda-auto.com, enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

ONE APP AND CONNECT APP

We understand how busy modern life can be. It's why we've designed our handy OneApp all-in-one smartphone application. It enables you to check your vehicle status, review your driving efficiency and plan a trip all from the comfort of your home.

With the ŠKODA Connect app installed on your smartphone, your car remains under your control at all times. Access all necessary features and functions of your vehicle anywhere and anytime from your smartphone or smartwatch.

Features are available based on ordered ŠKODA Connect bundle: Infotainment Online or Care Connect.

SmartLink+

ŠKODA Genuine Accessories
(000 054 830A)

Available for Amundsen and Bolero, SmartLink+ enables you to safely use your smartphone through the infotainment system. From taking emergency calls to switching between songs, every installed app is certified as safe and compatible with MirrorLink, Apple CarPlay and Android Auto.

The SmartLink+ system also includes SmartGate, which allows you to record and analyse your drive to help you cut fuel costs and extend the life of your Fabia. It works by sending real-time data on every aspect of your drive to your smartphone or tablet, allowing you to analyse it and even share it with friends and family.

FLOOR MATS

The interior of the FABIA has been designed to be as captivating as it is inviting. With the addition of textile or rubber mats, keeping it that way has never been simpler. Designed to perfectly fit in the space beneath the passengers' feet, both mats feature an anti-slip surface and can be removed at any time, enabling you to coordinate your interior style with the conditions outside.

When the weather is feeling kind, textile mats provide added comfort and protection against driver fatigue. When bad weather reigns, rubber mats provide a perfect alternative to safeguard against unwanted stains from sopping shoes.

Mudflaps
ŠKODA Genuine Accessories
Mudflaps prevent stones, grit and roadspray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

Floor mats
ŠKODA Genuine Accessories
These quality textile mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. There's also rubber versions for the more outdoorsy types.

Rubber boot mat
ŠKODA Genuine Accessories
This rubber mat fits perfectly onto the floor cushion of your car. It protects your boot space so you can put dirty objects such as shoes, sports equipment, gardening material, paint etc. in knowing it can be easily removed for quick and easy cleaning - perfect for keeping the boot of your car immaculate for as long as possible.

PULLING POWER

With an engine boasting impressive power, seems almost a shame not to use it. Available as part of the Genuine Accessories range, the tow bar significantly increases the FABIA's versatility.

Able to pull a 2,100kg trailer with brakes, or a 750kg trailer without brakes, the tow bar meets all international regulations.

Like all our accessories, the tow bar is made from high-quality materials and has undergone extensive toughness, corrosion resistance and stress tests. The accessory's wiring has also passed stringent electromagnetic compatibility testing.

For additional peace of mind, the tow bar can be locked to protect it against theft. Removing the device also requires no additional tools thanks to its simple automatic mounting/dismounting mechanism, making it easy to comply with the legal obligation to remove the device when not in use. After removal, a cover matching the colour of your car protects the mounting hole.

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
