

RAPID SPACEBACK

ŠKODA

Effective: February 2018

RAPID SPACEBACK – EXPERIENCE MORE

The Rapid Spaceback is a car of extremes. Impressively compact, yet remarkably spacious with generous leg and headroom for up to five occupants. It has an understated interior, yet is packed with intuitive technology including the latest smart assistance systems and connected features. Then there's the increased performance that uses less energy thanks to intelligent engine recuperation. The result is a car of compelling opposites that enables you to experience more at every turn.

LOOK SHARP

The Rapid Spaceback's exterior features a new longer rear window design, giving it a sportier and edgier look. This is further enhanced by the sharp and high tornado line. It's not all change however, as the car's dynamic silhouette remains ever present.

DYNAMIC FRONT DESIGN

The front view of the Rapid Spaceback is characterised by the wide air intake grid with integrated fog lamps. While the striking radiator grille and eye-catching chrome strip also command attention.

PANORAMIC GLASS ROOF

Made entirely of tinted glass, the panoramic roof gives every passenger the sensation of extra light and space. Standard on SE Sport.

REAR LIGHTS

The distinctive C-shape rear lights wrap around to the sides, further enhancing the Rapid Spaceback's rear view. A darkened black finish is standard on the SE Sport.

DASHBOARD

Designed to perfectly complement the curve of the steering wheel, the stylish dashboard has been designed with functionality front of mind. Top trims include a multifunction steering wheel wrapped in leather, which puts radio and phone controls at your fingertips.

SPACE TO IMPRESS

ŠKODA and class-leading space have always gone hand in hand. The Rapid Spaceback's refined interior builds on this tradition, providing generous room for up to five occupants. It's also a perfect example of style meeting substance, with practical touches filling every inch.

REAR PARKING SENSORS

When reversing towards objects the sensors produce an acoustic sound to inform the driver of the distance between the car and the object.

AMBIENT LIGHTING

Going for a trip in the Rapid Spaceback is never dull thanks to the soft ambient lighting on the centre console, front feet area and door handles. Available with light and rain assist.

HEATED SEATS

When it's chilly out, your inside passengers will appreciate the heated rear seats that form part of the Winter pack. These are regulated by a separate control on the rear side of the front armrest.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the Rapid Spaceback helps you stay connected wherever your journey takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

SMARTLINK+

From taking calls to switching between your favourite playlists, SmartLink+ enables you to safely use your smartphone through the infotainment system. It also includes SmartGate, which enables you to record and analyse your drive to help you cut fuel costs and extend the life of your car. Available as an optional extra.

NAVIGATION SYSTEM

The Amundsen satellite navigation with 6.5" touchscreen display will get you from A to B, but why stop there? With Bluetooth®, SmartLink+ (optional) and two SD card slots, it offers complete connectivity on-the-go.

EMERGENCY CALL

Activated by pressing a red button placed on the roof, Emergency Call provides immediate contact with the emergency services. In the event of a crash, the call is made automatically to ensure you get the help you need.

REAR USB PORTS

Passengers can keep their devices charged up using the two rear USB ports. Available as an option on all trim levels.

STAY CONNECTED

The new ŠKODA Connect system turns the Rapid Spaceback into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates.

While Care Connect focuses on help and safety, enabling remote access and control of the vehicle. It also offers an assistance service for any situation that needs it.

A rear view of a red car with its trunk open. The interior shows black seats and a large, dark, textured cargo area. The text "SPACE TO SPARE" is overlaid in the center. Below it, a paragraph describes the car's luggage capacity. The car's body is a vibrant red, and the trunk is open, revealing the interior. The seats are black, and the cargo area is a dark, textured material. The text is white and centered.

SPACE TO SPARE

As the name suggests, the Rapid Spaceback really boasts impressive luggage capacity. The sizeable boot has 415 litres of space available, which can be increased to 1,381 litres when the rear seats are folded down. Combined with the wide opening, the Rapid Spaceback is ready to pack everything you'll need for that special family outing.

FIT AROUND YOU

We understand that everyone uses space differently. Some require very little, others demand more. That's why we've designed the boot of the Rapid Spaceback to adjust to your precise needs, whether that's additional room or extra functionality.

CARGO ELEMENTS

Stop your luggage from sliding across the boot with these two optional plastic cargo elements with Velcro® fastener. When not in use, they can be stored in the compartments behind the rear wheel arches.

DOUBLE-SIDED BOOT FLOOR

This thoughtful optional feature lets you quickly switch between a carpet or rubber boot floor. Taking suitcases to the airport? Go for carpet. Need to take off those muddy boots? Flip it to rubber.

NET PROGRAMME

This optional set of nets comes in a variety of sizes increasing the flexibility of the luggage space and preventing objects from sliding around.

SPACIOUS STORAGE

Several storage compartments have been included in the interior to help you keep it looking its best. The glove compartment can also be air-conditioned, making it perfect for storing chilled refreshments.

IT'S THE LITTLE THINGS THAT COUNT

In a car packed with cutting-edge smart technology, we haven't forgotten about the simple ideas. After all, they're often the ones you rely on most. Especially on cold mornings and rainy days.

REAR-VIEW CAMERA

Located on the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

UMBRELLA STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrella under the front passenger seat.

ICE SCRAPER

Mounted out of sight on the fuel cap this handy ice scraper is ideal for frosty mornings. It also doubles up as a magnifier.

REAR SEAT ARMREST

The option of the foldable rear seat armrest creates a load-through area that enables you to pack long items while retaining seating in the back. The armrest also includes an integrated drinks holder, giving rear passengers the opportunity to stay refreshed on the move.

SAFETY WITHOUT COMPROMISE

THIRD HEADREST

If full carloads are the rule rather than the exception, the option of a third headrest in the middle seat will be welcomed by all rear passengers.

The Rapid Spaceback offers exceptional safety to all passengers. It's why you'll find smart safety features such as ABS braking, Electronic Stability Control and three-point safety belts aren't available as an option. They come as standard, as do the six airbags located around the car.

AIRBAGS

Safety is always a priority, with six airbags included as standard including head, front and front side airbags. In the event you're transporting a little one in the front, the passenger airbag can be deactivated as required.

DRIVER FATIGUE SENSOR

Using data from the power steering sensors, this clever assistant system detects when it's time to stop for a coffee break and displays a warning on the display.

FRONT ASSIST

Using a radar in the front bumper, this system provides an audio and visual signal to warn of an impending collision. If the driver fails to respond, the system initiates braking to minimise any possible impact. Available as an option on SE Tech and SE Sport.

TIME WELL SPENT

Whether nipping through the city or cruising up the motorway, every second behind the wheel should be one enjoyed in total relaxation. It's why we've packed the Rapid Spaceback with clever little comforts that makes even the daily commute something to look forward to.

MULTIFUNCTION STEERING WHEEL

The attractive multifunction leather steering wheel isn't simply soft and tactile, it enables you to control the radio and your connected smartphone.

KEYLESS ENTRY AND START/STOP

Get on the road faster by equipping the car with keyless entry and start/stop. A start/stop button is also located on the steering column to enable you to effortlessly turn the engine on and off.

CRUISE CONTROL

Maintain a constant speed without using the pedals, allowing you to fully concentrate on the road ahead.

HEADLAMP WASHERS

The integrated telescopic washers keep the headlamps clean, ensuring obstacles and other drivers are always in clear sight.

BEST OF BOTH WORLDS

Performance when you need it, enhanced fuel efficiency when you don't. That's the power of the Rapid Spaceback's turbocharged engines. While each offers a distinctively unique drive, all feature sophisticated technical solutions such as start/stop and brake energy recuperation.

FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit. Four are available to choose from, each delivering a comfortable and compelling driving.

DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

START/STOP

With this fuel saving feature, the engine automatically switches off when stationary, restarting as soon as the driver presses the clutch or steps off the brake.

RAPID SPACEBACK S

Heated wing mirrors, smart assist systems, USB connectivity. Just some of the thoughtful touches and features included in this entry-level trim.

DAYTIME RUNNING LIGHTS

BODY COLOURED DOOR MIRRORS AND HANDLES

DRIVER AND PASSENGER AIRBAGS

STANDARD EQUIPMENT

WHEELS

CLIMATE CONTROL AIR CONDITIONING

16" EVORA ALLOY WHEELS

RECOMMENDED OPTIONS

> KEYLESS ENTRY AND START/STOP

Be able to lock and unlock your car without having to use the key. The key just needs to be on your person to work. You also start and stop the engine by pressing a button rather than use an ignition key.

> LIGHT AND RAIN ASSIST

Includes intermittent windscreen wiper control, coming home feature and ambient lighting.

> REAR ARMREST

Includes two cupholders allowing your rear passengers to keep their drinks upright, and has a load-through provision to help transport longer items easily.

> WINTER PACK

In cold winters the heated front and rear seats will warm the driver and passengers up quickly. The pack also contains heated washer nozzles to ensure you can clean your windscreen without worrying about the frosty mornings.

> CRUISE CONTROL WITH SPEEDLIMITER

For those longer journeys, turn on the cruise control to allow the car to maintain a constant speed. If you don't want to exceed a certain speed, you can use the speedlimiter to cap a top speed during your journey.

RAPID SPACEBACK SE SPORT

Designed to further enhance the car's already dynamic styling, the SE Sport includes 17" alloy wheels, sports seats and a panoramic sunroof.

Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2018/2019.

BiK calculation example RAPID SPACEBACK S 1.0 TSI 95PS		
P11D value		£14,430.00
Company car BiK tax based on CO₂ emission level		22%
Taxable BiK (for 2018/2019 tax year):	22% of £14,430.00	£3,174.60
Annual company car tax (2018/19)		
20% income tax	20% of £3,174.60	£634.92
40% income tax	40% of £3,174.60	£1,269.84
Monthly company car tax (2018/19)		
20% income tax	£634.92 divided by 12 months	£52.91
40% income tax	£1,269.84 divided by 12 months	£105.82

Additional information

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary drive away cover

You can enjoy your new car from day one, thanks to our complimentary five day insurance. To activate, simply call **0345 877 6348**. Subject to eligibility. If you are eligible we will provide you with an annual quotation giving you the option to purchase 12 months cover, so you can have continued peace of mind for a whole year after your five day cover ends.

Annual car insurance

Our annual cover is designed specifically for ŠKODA drivers and includes the following benefits at no extra cost:

- Repairs carried out by ŠKODA trained technicians using ŠKODA genuine parts and paints when repaired by a ŠKODA approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit

insurewithskoda.co.uk or alternatively call us on 0345 246 9091.

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

ŠKODA Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Ensurance

Free accident and repair cover

Ensurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get

you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

To benefit from Ensurance you'll need to activate your free cover, which takes less than a minute. Remember, in the event of an accident, to call us first and Ensurance will help to deal with the rest.

For more information visit: **insurewithskoda.co.uk**

Ensurance from ŠKODA Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

Service intervals

When you order your RAPID SPACEBACK, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Additional information - continued

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one of our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your RAPID SPACEBACK will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your RAPID SPACEBACK also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.

Third year with 60,000 mile limitation, whichever is sooner.

Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

www.skoda.co.uk/owners/accessories-and-merchandise

VED (Vehicle Excise Duty)

Tax year 2018 to 2019

VED BAND*	CO ₂ (g/km)	First year rate	First year rate diesel vehicles*/**	Standard rate*
A	0	£0	£0	£0
B	1-50	£10	£25	£140
C	51-75	£25	£105	£140
D	76-90	£105	£125	£140
E	91-100	£125	£145	£140
F	101-110	£145	£165	£140
G	111-130	£165	£205	£140
H	131-150	£205	£515	£140
I	151-170	£515	£830	£140
J	171-190	£830	£1,240	£140
K	191-225	£1,240	£1,760	£140
L	226-255	£1,760	£2,070	£140
M	over 255	£2,070	£2,070	£140

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. *Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). **This rate applies to diesel vehicles that do not meet RDE2 Standards.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see <http://www.skoda.co.uk/owners/wltp-info> or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.

RAPID SPACEBACK

GENUINE ACCESSORIES

ŠKODA

Effective: August 2017

MORE PERSONAL SPACE

With its state-of-the-art technology, smart safety systems and intelligently spacious design, the Rapid Spaceback ensures you experience more at every turn. With the addition of Genuine Accessories, you can also add more dynamic touches and stylish functionality too. Not to mention more ways to stay connected on the go. Everything you need in fact to create a space that's distinctly personal and full of character.

Exterior packs add a sportier edge. Safety enhancements bring peace of mind. While inventive extras make transporting both loved ones and luggage easier. In all cases, every accessory has been rigorously tested and is fully compatible with the Rapid Spaceback.

SPORT & DESIGN

SPORT & DESIGN

The Rapid Spaceback is a car built on precision. Where every exterior line has been sharpened, every interior feature refined, every inch of space optimised. It's only fitting then that the following range of decorative Genuine Accessories has been designed to further enhance the dynamic look of the car. Both inside and out.

In addition to the double-coloured design stripes foil set, the **Red & Grey Plus Pack** includes front and rear spoiler, boot spoiler and decorative side sill extensions. For further standout, combine with the exclusive 17" red and silver Turini alloy wheels

This pack can only be ordered for a new car and is professionally assembled by ŠKODA

RED & GREY PLUS PACK

A UNIQUE POINT OF VIEW

ŠKODA Genuine Accessories

PERSONALISE YOUR INTERIOR IN MINUTES

When it comes to making your Rapid Spaceback distinctly unique, no accessory gives you more creative freedom than our revolutionary decorative interior foil. Designed to fit perfectly into the space on the dashboard in front of the passenger seat, the foil can display any image or design you choose. Will you take your loved ones at home away with you on every trip? Will a shot of a favourite holiday destination make the final cut? Perhaps you'll simply use it as an opportunity to further fine-tune the interior to your exact tastes. The choice is entirely yours, as is the option to update the design as often as you want, as the foil can easily be removed and replaced.

MAKE YOUR MARK

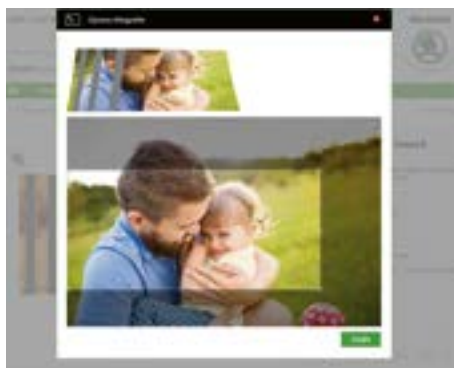

1. FIND THE PERFECT SHOT

Take a snap to suit, or choose a firm favourite. Be as creative as you like, after all, your Rapid Spaceback, your rules.

2. UPLOAD YOUR SHOT

Head to eshop.skoda-auto.com and use the Interior Foils app. Follow the online instructions and in just a few simple clicks you'll have selected the right dashboard décor and made any necessary adjustments.

Once the order's been placed your finished foil will be delivered to your home.

3. APPLY WITH CARE

Once delivered, stick the foil to the dashboard by following the included instructions. If however you'd rather leave the foil sticking process to us, just get in touch with your nearest ŠKODA partner who'll be happy to help.

LET US TAKE THE WHEEL

Don't worry if you haven't got the perfect shot to hand, as our designers have been busy creating a choice of themes to perfectly complement the interior. Over ten decorative foil designs are currently available to choose from, which can be ordered from the ŠKODA eShop.

PUT TO THE TEST

When it comes to checking the quality of our alloy wheels, we're unapologetically testing. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

UPDATE YOUR MAPS AND SOFTWARE

Our goal is to make your life easier and your trips a pleasure. To achieve this, we prepared a new Infotainment Portal for you, using state-of-the-art technologies.

Visit **infotainment.skoda-auto.com**, enter your vehicle VIN code and see how easy it is. The system recognises which updates you need and offers you the chance to download them comfortably at home. If you buy a new ŠKODA vehicle or navigation system, you get free map updates of your Europe navigation database for three years.

MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal, which enables you to quickly update and maintain your onboard systems helping you to save both time and money.

Simply head to **infotainment.skoda-auto.com**, enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

COMPATIBILITY LIST

This application shows which of your external devices, for example your smartphone or tablet, are compatible with the Octavia's many infotainment features such as SmartLink+.

PLAN AHEAD WITH MYDESTINATIONS

With the MyDestination online tool, you can set up any attractions and places of interest you want to visit well in advance of leaving the house. Once you're finished, simply import the list to your navigation device and you'll be ready to go the moment you jump behind the wheel.

COMFORT & UTILITY

COMFORT & UTILITY

We believe the best ideas aren't always the biggest or flashiest, they're the ones you couldn't live without. The ones that simply make life, simpler. Like an ice scraper you can't see, but that's always available on a frosty morning. Or a netting system for the boot to stop your luggage going for a walk. Speaking of walkies, these accessories also enable you to transport your four-legged friend in complete comfort and safety.

BEST FOOT FORWARD

When it comes to testing, you'll never find us putting our feet up. You will however find us putting them down, as we carry out a heel test on every one of our textile mats. This test replicates the action of the driver's foot on the accelerator, sinking the heel 5mm into the floor mat in both dry and wet conditions at an angle of 45°. An additional long driving test is also carried out, this time placing the focus on the brackets fixing the front floor mats to the car upholstery. It's only as a result of both tests that the perfect balance between driver comfort and safety is achieved.

COVER ALL BASES

If you're planning to venture off the beaten path a little in your Rapid Spaceback, we recommend fitting an engine cover. Once mounted, the plastic cover protects the engine from water, dust, mud and rocks, as well as providing resistance against mechanical and chemical damage.

That's not all though. Engine noise is lowered, fuel efficiency is improved and the day-to-day damage to your alternator, starter motor and many other components is reduced, which means they'll last longer too. What's more, mounting the engine cover doesn't require any modification to the car's chassis.

TRANSPORT

TRANSPORT

When it comes to luggage room, the Rapid Spaceback more than lives up to its name. However, if heading out for a sports trip or family adventure sometimes even 415 litres of interior space isn't enough. With the simple addition of the basic roof rack, your bikes, skis and luggage can all be easily mounted to the roof rack, which is 100% compatible with the Rapid Spaceback. You'll also avoid the potential safety hazards that can occur by fitting non-genuine ŠKODA accessories.

CITY CRASH TESTED

The thought of your luggage or bikes going on a trip of their own is completely unthinkable. That's why our racks undergo a number of demanding tests, from corrosion resistance to loading capacity and durability. They must also undergo the City Crash test, where a rack loaded with 90kg must remain on the car body under a force of approximately 12G.

SAFETY

SAFETY

When it comes to choosing safety equipment for your car, it's often as important to consider your personal circumstances as your passengers on board. That's why we've created this range of 100% compatible Genuine Accessories. Endlessly darting between kids' clubs? Our child seats ensure your smallest passengers are always sitting comfortably. Collecting motorway miles the norm? A first aid box and warning triangle should be a priority. Driving in severe weather unavoidable? Snow chains could fast prove essential for your Rapid Spaceback come winter.

Protective pad under the child seat

Dog safety belt
Size S (000 019 409A)
Size M (000 019 409B)
Size L (000 019 409C)
Size XL (000 019 409D)

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
