

OCTAVIA

ŠKODA

Effective: November 2019

Skoda Octavia
1.5 TSI 150 SE L

THE OCTAVIA – BEAUTIFULLY COMPELLING

Sharper, smarter and more striking, the OCTAVIA provides the compelling drive you expect with intelligent enhancements that surprise at every turn. From the outside, the powerful exterior styling and crystalline touches set the scene, while inside the smart connectivity features and safety assistant systems leave an equally strong first impression. The result is a car that catches the eye, delivers connected technology and is simply fun to drive.

BOLDLY AHEAD OF THE CURVE

The exterior of the OCTAVIA is unquestionably modern, yet unmistakably timeless too. Its precise lines stand out, while the bold grille, distinctive bonnet and expressive LED lights command attention.

FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button. Only available on the Estate.

REAR LED LIGHTS

Designed to be seen in every sense, these rear LED lights feature ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

A WARM WELCOME EVERY TIME

While style and functionality are essential in a car's interior, above all, it needs to be welcoming. It's why the interior of the OCTAVIA is as inviting as it is intuitive.

VIRTUAL COCKPIT

10.25" digital display which replaces the traditional instrument dials and can be customised with five views (Classic, Basic, Extended, Modern and Sports).

PERSONALISATION OPTIONS

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to the choice of music on the radio, all determined by which key the driver uses.

LED INTERIOR LIGHT PACK

Selecting the OCTAVIA's LED ambient lighting is anything but a black and white decision. From the understated to the bold, 10 colour options are available.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the OCTAVIA helps you stay connected wherever your journey takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink+ and Wi-Fi capability, it offers more connectivity on-the-go.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your OCTAVIA. The CANTON Sound System delivers powerful clarity from 10 speakers around the car.

STAY CONNECTED

The new ŠKODA Connect system turns the OCTAVIA into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates.

With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

A LOAD OFF YOUR MIND

Each OCTAVIA model may have its own distinct personality, yet all share one thing in common – generous space. With the rear seats folded, the Estate offers an impressive 1,740 litres, while the Hatch offers 1,580 litres. That means ample room for everything you need.

MORE LEGROOM, HEADROOM AND ELBOW ROOM

In a car packed with intelligent driver systems and design features, we've made sure to leave plenty of room for space too. The luggage capacity can be enhanced thanks to a host of clever design features that increase practicality.

REMOTE FOLDING SEATS

A remote lever makes easy work of gaining extra space, by automatically folding the rear seat backrests.

SPACIOUS STORAGE

Several spacious storage compartments have been included, one of which can also be air-conditioned, making it perfect for transporting chilled refreshments.

CARGO ELEMENTS

Stop your luggage going on any unplanned journeys with these two plastic cargo elements with Velcro® fastener.

JUMBO BOX

Useful storage for your gadgets, house keys and books, the jumbo box also features climate control to keep snacks cool on warm days.

IT'S NOT ALWAYS ABOUT THE BIG IDEA

ELECTRICALLY OPERATED BOOT

Gain instant entry to the boot by simply pressing the button on the remote control, centre console or directly on the boot.

At ŠKODA, we're just as focused on the little thoughtful touches that make your life easier.

LED TORCH

Always ready to shed some light on your OCTAVIA Estate, this removable LED torch recharges while the engine is running.

REAR-VIEW CAMERA

Located on the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

UMBRELLA STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrella located under the passengers seat.

FUEL DOOR

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

MORE EYES ON THE ROAD

Safety is firmly in the driving seat, thanks to the active and passive driver assistance systems, which allow you to instantly respond to whatever comes your way.

AUTO LIGHT ASSIST

Safer for you, kinder to others. With Auto Light Assist the OCTAVIA can switch to high beam and back automatically, ensuring optimum visibility without dazzling oncoming traffic.

PARK ASSIST

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

FRONT ASSIST WITH PEDESTRIAN PROTECTION

This system monitors the distance from the vehicle ahead, automatically braking to help avoid any collisions. Predictive Pedestrian Protection also helps to prevent accidents by reducing the car's speed should someone unexpectedly cross your path.

Models shown are not UK specification. Some of the equipment shown is optional.

UNIQUELY ORIGINAL BY DESIGN

In any family, there are always similarities and differences. It's the same with the OCTAVIA range. All share the same reliability, yet every engine has its own distinct character.

FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit.

DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

DYNAMIC CHASSIS CONTROL

This innovative system ensures the car's suspension is constantly adapting to suit the road and driving conditions. The ride setting can be changed at the touch of a button in the centre console.

HILL HOLD CONTROL

This clever feature automatically activates when the hill grade is higher than 5%, enabling you to set off smoothly without having to use the handbrake or worry about rolling backwards.

OCTAVIA S

Anything but standard, this entry-level trim is packed with features and thoughtful touches.

OCTAVIA SPORTLINE

The OCTAVIA SportLine is refined from the classic OCTAVIA design, providing an emotive sporty feel with style-defining form. Featuring a gloss black grille surround, 18-inch VEGA black alloy wheels and full LED headlights.

18" VEGA ALLOY WHEELS

The Vega anthracite alloy wheels further enhance the sportiness of the SportLine's exterior.

BLACK STYLING

The black glossy grille surround, door mirror housing, front spoiler and rear diffuser give the SportLine's dynamic silhouette and edgier and sportier look.

SPORT SEATS

The black sport seats with red stitching provide all the support you need and completes the sporty interior.

SPORT STEERING WHEEL

The three-spoke supersport multifunction steering wheel in perforated leather with silver stitching puts everything you need at your fingertips.

OCTAVIA vRS - A STATEMENT OF SPORTY INTENT

The OCTAVIA vRS's sporty chassis, exterior design and striking alloys all point towards power. This is a car that uniquely combines a dynamic driving experience with smart practicality.

REAR SPOILER

Available on the vRS Hatch, the boot spoiler increases the car's stability.

EXHAUST PIPE

The chrome finish on the exhaust pipe end piece enhances the sporty look.

ALLOY WHEELS

Enhance the sportiness of the exterior with a choice of alloy wheels.

DOOR SILL STRIPS

Proof that practicality can still be striking, the door sill strips feature the vRS inscription to further enhance the car's character.

PERFORMANCE MODE SELECT

Switch between driving modes to suit your needs, or change how the engine resonates throughout the cabin with the Performance Sound Generator.

VIRTUAL COCKPIT

Put all the information you need right in front of your eyes with the customisable 10.25" digital display. vRS models also features additional Sport design.

OCTAVIA vRS CHALLENGE

Designed with the iconic power and dynamics of the vRS, the OCTAVIA vRS Challenge adds sport-racing exterior with 19" Xtreme Black alloy wheels, Black exhaust with sports system, Dynamic chassis control (DCC) and Black vRS badging on the front rear.

On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2019/2020.

BiK calculation example		
OCTAVIA Hatch SE Drive 1.0 TSI 115PS		
P11D value		£20,085.00
Company car BiK tax based on CO ₂ emission level		26%
Taxable BiK (for 2019/2020 tax year):	26% of £20,085.00	£5,222.10
Annual company car tax (2019/20)		
20% income tax	20% of £5,222.10	£1,044.42
40% income tax	40% of £5,222.10	£2,088.84
Monthly company car tax (2019/20)		
20% income tax	£1,044.42 divided by 12 months	£87.04
40% income tax	£2,088.84 divided by 12 months	£174.07

Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2019/2020.

BiK calculation example		
OCTAVIA Hatch S 1.0 TSI 115PS		
P11D value		£18,405.00
Company car BiK tax based on CO ₂ emission level		25%
Taxable BiK (for 2019/2020 tax year):	25% of £18,405.00	£4,601.25
Annual company car tax (2019/20)		
20% income tax	20% of £4,601.25	£920.25
40% income tax	40% of £4,601.25	£1,840.50
Monthly company car tax (2019/20)		
20% income tax	£920.25 divided by 12 months	£76.69
40% income tax	£1,840.50 divided by 12 months	£153.38

Standard specification

Please note: Some combinations of options can cause the vehicle to be unbuildable. Please speak to your local ŠKODA Retailer or visit www.skoda.co.uk to configure your required specification.

* Internal note: Only two of the following options can be ordered in combination with 2.0TSI 190PS - Dynamic Chassis Control, Tow bar, Sunroof (inc. Panoramic), Temporary spare wheel.

** An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Due to potentially high data volumes, a contract including an unlimited or high usage data plan is strongly recommended. Please note that variable boot floor is standard on SE L Estate.

Additional information

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary ŠKODA Drive Away Insurance

We want you to start enjoying your new car from day one, which is why every new or used ŠKODA, purchased from a ŠKODA Retailer, comes with five days' complimentary insurance. This comprehensive cover guarantees that your vehicle will be repaired in a ŠKODA Approved Repairer using ŠKODA Genuine Parts.

To set up your five day cover, please visit insurewithskoda.co.uk/driveaway. Alternatively, you can call us on 0345 877 6348.

Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday. You will need the following information from your ŠKODA Retailer: vehicle model, registration number, vehicle collection date, ŠKODA Retailer number. Subject to eligibility. Five day drive away insurance cannot be used in conjunction with any other insurance offer. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase. See below for more details.

Annual Car Insurance

with the ŠKODA 3 Year Fixed Price Commitment

You can't always predict what life has in store, but with ŠKODA 3 Year Fixed Price Car Insurance you can relax knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With ŠKODA Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. Enjoy peace of mind, complete convenience, and relax in the knowledge you have a policy tailored specifically for your ŠKODA. ŠKODA Car Insurance provides fully comprehensive cover, and you can enjoy the following benefits as standard:

- > 3 Year Fixed Price Commitment
- > ŠKODA Approved Repairs carried out by ŠKODA Approved Technicians using only ŠKODA Genuine Parts and Paints

- > Guaranteed courtesy car whilst yours is in for repair
- > Windscreen cover
- > Uninsured driver promise (providing we have the car registration, make, model, and driver details)
- > Personal accident cover
- > Personal belongings cover (excludes loss of money)
- > Child seat replacement

There's a lot to like about being a ŠKODA driver. Get a quote or find out more at insurewithskoda.co.uk Alternatively, call us on 0345 246 9091. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

ŠKODA 3 Year Fixed Price commitment will fix your premium for 2 consecutive renewals, if you choose to renew. Fixed Price commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims). The premium at your next renewal will change if you make an amendment to your policy and the revised premium will be fixed for the remaining renewal periods. Fixed Price commitment does not apply to optional additional products and/or Insurance Premium Tax price changes. ŠKODA Car Insurance is underwritten by UK Insurance Limited.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority, VWFS UK and UK Insurance Limited are not part of the same corporate group.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your OCTAVIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Additional information - continued

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one of our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your OCTAVIA will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your OCTAVIA also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.

Third year with 60,000 mile limitation, whichever is sooner.

Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

www.skoda.co.uk/owners/accessories-and-merchandise

VED (Vehicle Excise Duty)

From 1st April 2019

VED BAND*	CO ₂ (g/km)	First year rate	First year rate diesel vehicles*/**	Standard rate*
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. *Vehicles with a list price of over £40,000 when new pay an additional rate of £320 per year on top of the first year and standard rate, for a further four years (total of five years). **This rate applies to diesel vehicles that do not meet RDE2 Standards.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see <http://www.skoda.co.uk/owners/wltp-info> or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.

OCTAVIA

GENUINE ACCESSORIES

ŠKODA

Effective: January 2019

FULL OF CHARACTER

While there's no mistaking the Octavia's signature style and striking features, with the addition of Genuine Accessories it becomes unmistakably personal too.

Each feature in the range enables you to showcase your style to the highest level, while also providing the opportunity to customise your car in a way that doesn't just reflect your character, but enhances your lifestyle too. You'll also find a host of stylish extras simply designed to make your time behind the wheel more fun.

Whether opting for added safety or luggage capacity, greater comfort or a little more luxury, it goes without saying that every accessory has been rigorously tested and is fully compatible with the Octavia.

WHEEL CARE & STYLE PACKAGE

Few things are more subjective than wheel design. Some favour understated style, others performance, while for many alloys are the only option. However all can agree that safety is king. This package protects your wheels while also enhancing their style.

- › Safety bolt set
- › Complete wheel cover set
- › Decorative valve caps

Available for the ŠKODA Octavia, Fabia, Rapid, Yeti, Superb and Kodiaq.

PUT TO THE TEST

When it comes to checking the quality of our alloy wheels, we're unapologetically testing. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

INFOTAINMENT

INFOTAINMENT

These Genuine Accessories have been designed to keep you fully online on the go, while opening up a whole new world of entertainment, information and communication.

CARSTICK

This clever device turns your car into a Wi-Fi hotspot in seconds, enabling you to take full advantage of the ŠKODA Connect system without having to use your smartphone's internet connection. Simply pop in a suitable SIM card, connect it to the USB slot in front of the gear lever and set it up via the Amundsen navigation system. You can then connect any Wi-Fi enabled device to your own onboard network. (000 051 409C)

UPDATE YOUR MAPS AND SOFTWARE

Our goal is to make your life easier and your trips a pleasure. To achieve this, we prepared a new Infotainment Portal for you, using state-of-the-art technologies. Visit infotainment.skoda-auto.com, enter your vehicle VIN code and see how easy it is. The system recognises which updates you need and offers you the chance to download them comfortably at home. If you buy a new ŠKODA vehicle or navigation system, you get free map updates of your Europe navigation database for three years.

MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal, which enables you to quickly update and maintain your onboard systems helping you to save both time and money.

Simply head to infotainment.skoda-auto.com, enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

COMPATIBILITY LIST

This application shows which of your external devices, for example your smartphone or tablet, are compatible with the Octavia's many infotainment features such as SmartLink+.

PLAN AHEAD WITH MYDESTINATIONS

With the MyDestination online tool, you can set up any attractions and places of interest you want to visit well in advance of leaving the house. Once you're finished, simply import the list to your navigation device and you'll be ready to go the moment you jump behind the wheel.

SOFTWARE UPDATES

Don't forget to update other software in your Infotainment system.

Voice Control System
Once installed by an authorised ŠKODA partner, this smart software enables you to operate certain device functions via voice command such as the radio, telephone and navigation system. (Amundsen – 000 054 802 | Bolero – 000 054 802A)

Drive Activity Assistant
ŠKODA Genuine Accessories

This intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected it sends an audible and visual signal, recommending you take a break.

COMFORT & UTILITY

COMFORT & UTILITY

The Octavia's interior wasn't simply designed to be spacious, it was designed to be used. Every day, in every way imaginable. These handy accessories will ensure you make the most of every inch, whether that's packing it full with messy sports gear, filling it with garden essentials or loading up for a weekend away with the family.

BEST FOOT FORWARD

When it comes to testing, you'll never find us putting our feet up. You will however find us putting them down, as we carry out a heel test on every one of our textile mats. This test replicates the action of the driver's foot on the accelerator, sinking the heel 5mm into the floor mat in both dry and wet conditions at an angle of 45°. An additional long driving test is also carried out, this time placing the focus on the brackets fixing the front floor mats to the car upholstery. It's only as a result of both tests that the perfect balance between driver comfort and safety is achieved.

ŠKODA Genuine Accessories
For OCTAVIA ESTATE (5E9 071 151)

HANDLE WITH CARE

Our racks undergo a number of demanding tests, from corrosion resistance and loading capacity to durability and water tightness. They're also subjected to simulated crash conditions, where a rack loaded with 90kg must remain on the car body under a force of approximately 12G. After all, the last thing we'd ever want is your luggage or bikes to go on a trip without you.

SAFETY

SAFETY

When it comes to protecting you and your passengers, we leave zero to chance. That's why we've created this range of 100% compatible Genuine Accessories, which includes everything you need to keep your loved ones, little ones and even four-legged ones safe and sound. You'll also find a host of practical extras to protect other drivers too.

Wavo 1-2-3 child seat
ŠKODA Genuine Accessories
(000 019 903D)

Watch the child seat testing video.

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (ECE R44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
