# CITIGO – TAKE ON THE CITY IN STYLE

Born for the city, the CITIGO is big on agility, practicality and functionality. This is a car that can manoeuvre into tight spaces with ease and puts the fun back into exploring concrete jungles. It's spacious too, with ample room for four adults, whilst thoughtful technology ensures every urban adventure is enjoyable. The result is a car that's ingeniously compact, yet anything but small.

Models shown are not UK specification. Some of the equipment shown is optional.

# STREET SMART

With its bright dynamic design, chrome embellishments and finned front grille, the CITIGO's bold exterior cuts through the noise as it zips through the streets.

### WHEELS

Add further distinction to the CITIGO's exterior with the 16" Serpens alloy wheels in silver.

### PANORAMIC SUNROOF

This optional electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

### FRONT VIEW

The newly designed bonnet now features the ŠKODA power dome, two distinctive lines drawing the eye back from the badge. This is complemented by the finned grille set in chrome.

### REAR VIEW

The distinctive C-shape rear lights make this city dweller as compelling from the rear as it is from the front. From SE upwards, the rear lights have a darkened glass finish.

# STRIKINGLY SIMPLE

## THREE-SPOKE STEERING WHEEL

CITIGO S, SE and Colour Edition models feature a standard three-spoke steering wheel, while SE L models include a luxurious leather multifunction alternative. In-keeping with its motorsports roots, the Monte Carlo has a leather sport steering wheel with red stitching.

## CENTRAL SPEEDOMETER

The central feature on any instrument cluster, the large speedometer catches the eye while keeping you up to speed on your driving statistics. From SE upwards, dials also feature a rev counter and fuel gauge.

The CITIGO's cleverly understated interior offers a relaxing retreat from the outside world. Everything is practically arranged to be clearly visible in a single glance.

Models shown are not UK specification. Some of the equipment shown is optional.

# SMARTER CONNECTIVITY

While the on-board infotainment system packs an immediate punch, it truly comes alive when you connect it to your smartphone via the Move&Fun app.

## MOVE&FUN SMARTPHONE APP

Listen to your favourite tunes, monitor your drive and let your sat nav point you in the right direction with our handy Move&Fun app. It instantly pairs your smartphone to the car's infotainment system via Bluetooth®, keeping you fully connected on the go.

# PERFORMANCE DRIVEN BY YOU

A car that's exciting to drive in and out of the city, that's also easier on the environment. That's the beauty of ŠKODA's GreenTech engine, which helps reduce fuel consumption thanks to its stop/start system, energy recuperation and low rolling resistance tyres.

## 1.0 LITRE THREE-CYLINDER ENGINE

The flexible 1.0 litre three-cylinder engine enables agile driving in or out of the city. Available in either 60PS or 75PS.

## AUTOMATIC SHIFT GEARBOX (ASG)

ASG automatically selects the appropriate gear, whilst also adapting to your driving style. Not only does this reduce engine strain, it leaves you completely free to concentrate on the journey.

## STOP/START

The engine automatically switches off when stationary, restarting as soon as the driver presses the clutch or steps off the brake.

## BRAKE ENGINE RECUPERATION

This intelligent technology transfers some of the energy used during braking to get the car moving again once you step off the brake pedal.

# WATCH THIS SPACE

The CITIGO's generous interior offers ample space for shopping, luggage and the odd picnic hamper. Quickly fold down the rear seats and there's even more room for all sorts of cargo.

## HOOKS

Stop your shopping going on a trip of its own with the four convenient hooks on the sides of the luggage compartment.

## DRINK HOLDER

Thanks to its convenient position in the centre console, every passenger can stay refreshed on the go.

## TICKET HOLDER

When you need to display a parking ticket in a visible place, the solution is simple. The car is equipped with a parking ticket holder under the windscreen.

## STORAGE COMPARTMENTS

In the three-door CITIGO, rear passengers can take full advantage of the handy storage compartments at the sides of the seats.

## UMBRELLA

A spot of rain will never dampen your spirits again thanks to the umbrella located under the passenger seat.

## POCKETS

Storage pockets on the insides of the front seat backrests are ideal for carrying your mobile phone, diary or other small items.

# SAFETY IN NUMBERS

Our city car is packed full of innovative active and passive safety features, achieving a five star rating from Euro NCAP (European New Car Assessment Programme). From airbags to ABS (Anti-lock Braking System) to parking sensors and city safe braking system, the CITIGO has it going on.

## FOG LIGHTS

Increase your safety when visibility is reduced. Fog lights are standard on the Colour Edition, SE L and Monte Carlo models.

## BRAKE ASSIST SYSTEM

This optional 'city safe' system monitors the area in front of the vehicle, actively braking at speeds below 19 mph.

## REAR PARKING SENSORS

With its excellent agility and three rear sensors, parking the CITIGO is a breeze. Standard on SE L and optional from SE upwards with the Convenience pack.

## AIRBAGS

A perfect example of ŠKODA's passive safety innovation, the CITIGO features four airbags as standard.

Side and curtain airbags not shown.

# CITIGO S

Packed with thoughtful touches and clever technology, this entry-level trim offers impressive value for money.

## On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide (CO<sub>2</sub>) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

### BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2018/2019.

#### BiK calculation example

CITIGO 3-door 1.0 MPI 60PS GreenTech

<b>P11D value</b>		<b>£8,680.00</b>
<b>Company car BiK tax based on CO<sub>2</sub> emission level</b>		<b>20%</b>
<b>Taxable BiK (for 2018/2019 tax year):</b>	20% of £8,680.00	<b>£1,736.00</b>
<b>Annual company car tax (2018/19)</b>		
<b>20% income tax</b>	20% of £1,736.00	<b>£347.20</b>
<b>40% income tax</b>	40% of £1,736.00	<b>£694.40</b>
<b>Monthly company car tax (2018/19)</b>		
<b>20% income tax</b>	£347.20 divided by 12 months	<b>£28.93</b>
<b>40% income tax</b>	£694.40 divided by 12 months	<b>£57.87</b>

## Additional information

### ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

### Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

#### Service Plan for cars under a year old

This covers your first two services for one payment of just £279 or 18 monthly payments of £15.50. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

### Service intervals

When you order your CITIGO, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

### Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one of our advisors via live chat, on Monday to Friday from 8am-8pm.

#### A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your CITIGO will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

### Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

### Warranty

#### Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your CITIGO also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

#### Owning a ŠKODA

##### Three-year vehicle warranty from new

First two years unlimited mileage.

Third year with 60,000 mile limitation, whichever is sooner.

Four to five years Optional Extended Warranty.

##### Three-year paint warranty

Up to 12 years body protection.

#### Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and

sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

### Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. \*Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). \*\*This rate applies to diesel vehicles that do not meet RDE2 Standards.

### OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

### VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current ŠKODA UK stock.

The vehicles in this document are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at <http://www.skoda.co.uk/owners/wltp-info>. However, in line with Government guidance, to facilitate comparison between different models from different manufacturers and to accommodate the full transition to this new testing regime, we have displayed NEDC figures. These NEDC figures are the values for this vehicle used in registration and taxation documentation until further notice from the UK authorities. These NEDC figures have been derived from WLTP testing, and may not be equivalent to NEDC figures from NEDC testing, so comparisons may be unreliable. Fuel consumption and efficiency figures are provided for comparative purposes only and may not reflect 'real world' driving results. Choice of wheels and other options may affect fuel consumption and emissions data.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.
